

Dress Code Policy

Lanyards should be visible at all times; a C3 detention will be issued if a student's lanyard (or replacement sticker) is not visible.

Students' dress should be appropriate for school (students have been issued with guidance and information posters which are on display around the school). If a student is wearing clothing that is inappropriately revealing, they will be expected to put on clothing provided by the school and they will be issued with a C3.
