

# Lettings policy

#### Introduction

The Governing Body (GB) regards the school and its facilities as a community asset and will make every reasonable effort to enable them to be used as much as possible.

However, the overriding aims of the GB with regard to lettings are:

- to support the school in providing the best possible education for its students;
- to maintain the good condition of the site;
- to support the community cohesion of the local area;
- to maintain the good name and reputation of the school;
- to maintain good relations with the school's neighbours;
- to support the financial interests of the school.

Any lettings will be considered with these factors in mind.

Day to day responsibility for lettings is delegated to the Headteacher.

### Lettings

A *Letting* is defined as any use of the school facilities by parties other than the school and its partners.

The *Hirer* is defined as the named individual on the letting agreement and is responsible for ensuring compliance with terms and conditions and for payment of all charges in respect of the letting.

If there are any concerns about the appropriateness of a particular request for a letting the matter will be referred to the chair of governors who has the right to refuse a booking.

Bookings should not be considered as confirmed until a signed letting agreement has been received.

#### Charges

Charges are reviewed by the governing body. Payment must be made in advance of the letting. In the event of cancellation of the letting by the Hirer the following charges will apply:

Within four weeks of the letting date	25% of the total charge
Within two weeks of the letting date	50% of the total charge
Within one week of the letting date	100% of the total charge

In the unlikely event that Fortismere has to cancel the booking the Hirer will be reimbursed any advance payments, although Fortismere School will not incur any other liability.

## Safeguarding – to be read by everyone involved in lettings

- All children and young people have the right to grow up in a safe and caring environment, which includes the right to protection from all types of abuse.
- Children and young people have the right to expect adults in positions of responsibility to do everything possible to foster these rights.

The Hirer must ensure that where a letting involves children and young people, they have appropriate safeguarding policies and procedures in place. This includes ensuring that Enhanced Disclosure and Barring Service checks have been carried out. The Hirer must keep appropriate records and report to the school any safeguarding concerns which may arise. The governing body reserves the right to require the Hirer to produce evidence that such checks have been carried out on all persons, to review safeguarding policies and procedures and to impose any additional requirements they consider appropriate. The governing body expect this information to be available immediately upon request. If the governing body are not satisfied they reserve the right to cancel the agreement and there will be no liability to the Hirer other than to refund any payment made.

## Health and safety

The Hirer must make themselves aware of the school's Health and Safety policy and take reasonable care of their own health and safety and all those involved in the letting.

The Hirer is responsible for familiarising themselves and all those involved in the letting with procedures for evacuation of the premises, escape routes, assembly points, position of fire alarms, fire-fighting equipment and telephones.

It is the responsibility of the Hirer to make their own arrangements for first aid.

Fortismere is responsible for ensuring that the means of access or exit are safe for the use of the Hirer and that plant or equipment used by the Hirer is safe. It is the responsibility of the Hirer to inform the Site Manager of any fault, damage or other problem discovered during the letting.

The whole of the school site, including all buildings and all grounds, is a non-smoking area and smoking is not permitted at any time.

#### Fortismere site supervision

A Site Manager will be on duty during all lettings and can be contacted on 07517912563.
