

fortismere

Admission Arrangements for entry in September 2018

1. BACKGROUND

As a mixed, 11-18 Foundation School, Fortismere is its own Admission Authority. Applications for places should be made via the Local Authority in which you live. If you live in Haringey this should be done using the Haringey common application form or online via the Haringey website.

Fortismere school is heavily over-subscribed and all decisions about the priority order in which places will be offered are made according to the criteria outlined below.

Admission into Year 7

2. PUBLISHED ADMISSION NUMBER

The published admission number is 243. If there are 243 or less applications, all applicants will be offered a place. If there are more than 243 applications the oversubscription criteria outlined in paragraph 4 will apply.

3. SPECIAL EDUCATIONAL NEEDS

Pupils with a Statement of Special Educational Need or an Education, Health and Care Plan which names the school will automatically be offered a place.

4. OVER-SUBSCRIPTION CRITERIA

For all other applicants, where there are more applications than places available, priority will be given in the following order:

a) **Looked after children/previously looked after children**

Children who are looked after by a local authority or were previously looked after but immediately after being looked after, became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with Section 22 Children Act 1989.

b) **Exceptional medical or social need for a place at Fortismere**

Children who the Governors accept have an exceptional medical or social need for a place at Fortismere. Applications will only be considered under this category if they are supported by a written statement from a doctor, social worker or other appropriate professional. Governors will determine whether the evidence provided is sufficiently compelling to meet the requirements for this category. The evidence provided must relate specifically to Fortismere and must clearly demonstrate why it is the only school that can meet the needs of the child.

c) **Children with a sibling at Fortismere**

Children where, at the time of application, an older sibling is expected to be on roll (including in the Sixth Form) when a younger child starts at the school. This category

includes foster brothers and sisters, half brothers and sisters and stepbrothers and sisters. In all of these cases the brother or sister must be living at the same address as the child for whom the application is being made.

d) Children of members of staff

A staff member is defined as a person who has a permanent contract of employment with the governing body of the school at the time of application and qualifies in the following circumstances:

(a) the member of staff has been employed by the school for two or more years at the time the application for admission to the school is made, or

(b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

The child must be living at the same address as the staff member.

e) Children living closest to the school

Children living closest to the school as measured in a straight line from the front door of the child's permanent home address, to the school address point, which is the Reception in South Wing. The home to school distance measurement will be provided by Haringey Local Authority as outlined in their application information. Permanent home address means the address at which the child lives for the majority of the week from Monday to Friday at the time of application and for the foreseeable future.

This criterion (e) will also be used as a **tie-breaker** for all the other over-subscription criteria a) to d)

5. NOTIFICATION OF OFFER OF PLACES

Parents will be informed by Haringey Local Authority (or their home authority if they do not live in Haringey) which school they have been offered on 1 March 2018. Parents should confirm their acceptance of the offer, to Haringey (or their home local authority) by the deadline specified.

6. FURTHER EVIDENCE TO CONFIRM HOME ADDRESS

If a place is offered at the school under criteria (e) home to school distance, Fortismere will ask parents to provide further evidence confirming that the address given on the application form is the child's permanent home address. Two of the following will be required:

- The child's medical card or an official communication or record from the child's doctor or other medical practitioner that includes the child's name and address
- An official document containing the child's name and address such as a child benefit letter, a child trust fund letter, a bank account letter
- A letter or any other recent communication from the child's current school that includes the child's name and address.

All documents provided must be dated within three months of the request.

If satisfactory evidence is received the offer of a place at Fortismere will be confirmed.

7. MISLEADING OR FALSE INFORMATION

Under the School's oversubscription criteria (e) places are allocated on the basis of the proximity of the child's permanent home address to the school. The school and some other applicants are concerned that the permanent home address given by some

applicants may not be genuine, but rather only temporary for the specific purpose of securing a place at the school. The School wants to ensure that applicants who provide misleading or fraudulent information for admissions do not deprive other children of a rightful place at the school.

If Governors become aware that a place was secured for a child at the school on the basis of misleading or false information, they reserve the right, within the terms of the School Admissions Code, to withdraw the offer of a place or, if the child has already started at the school, to remove the child from the school roll.

8. APPEALS

Unsuccessful applicants have the right to appeal for a place at the school by writing and stating their reasons for the appeal. The letter should be addressed to The Admission Appeals Clerk, Fortismere School, Tetherdown, Muswell Hill, London, N10 1NE. Appeals will be heard by a panel which is independent of the school. Letters of appeal should be submitted by the deadline specified. If your appeal is received after the deadline, the school cannot guarantee that your case will be heard before the end of the Summer term, and may have to be carried over to the Autumn term. An appeals timetable will be posted on the school website.

9. WAITING LIST

Parents can request that their child's name is added to the waiting list for the school. In the case of a child being offered a school lower in their list of preferences the child's name will automatically be added to the waiting list for places at the school. The waiting list will be kept in the same order as the over-subscription criteria. The waiting list is managed, on behalf of the school, by the Haringey Local Authority.

Waiting list positions can change at any time depending on other applicants' circumstances and it is important to note that a child's position may go down as well as up if other applicants, with higher priority, join the waiting list. Being on the waiting list does not guarantee a place in the school.

10. ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

Parents can make applications for their child to be placed outside of their normal age group. Applications should be made via Haringey Local Authority. The Governors will consider such applications and make decisions on the basis of the circumstances of each individual case.

11. LATE APPLICATIONS

The closing date for applications will be *31 October 2017*. Applications received after this date will be deemed late and will only be considered after all other applications that were received on time, unless there is written evidence of exceptional circumstances that prevented the application from being submitted on time. Haringey Local Authority will refer any late applications to Governors for consideration. Parents should note that a late application will prejudice your child's chance of getting a place at the school.

12. IN-YEAR ADMISSIONS

If you are applying for a place at Fortismere at any time other than starting Year 7 at secondary transfer time, or you are applying for your child to transfer to Fortismere from their current secondary school, you should contact Haringey Local Authority who coordinate all in-year admissions on behalf of Fortismere. Places will be offered in accordance with the over-subscription criteria set out in paragraph 4.

If there are no places available in the required year group, parents can request that their child's name is added to the waiting list for the school as outlined in paragraph 9. Any child who is refused a place at the school will have the right of appeal as outlined in paragraph 8.

Evidence of a child's date of birth and home address will be required and a place will not be allocated on the basis that a change in address is expected to happen.

13. FAIR ACCESS PROTOCOL

The Fair Access Protocol exists to ensure that access to education is secured quickly for children who have no school place. Fortismere will participate in any Local Authority scheme agreed by the Governors.

Admission into the Sixth Form

14. ADMISSION TO THE SIXTH FORM

The admission number for the sixth form is 50. This is the minimum number of external students admitted into the sixth form. The actual number of places will depend on the number of existing Fortismere students continuing into the sixth form. Fortismere expects to be able to offer sixth form places to all students meeting the academic entry requirements. In the event of oversubscription, places will be allocated in accordance with the over-subscription criteria set out in paragraph 4.

15. ACADEMIC ENTRY REQUIREMENTS

The minimum entry requirement for admission to Fortismere Sixth Form will be C grades (or numerical equivalent) in 5 different GCSE subjects, including English and Maths.

However, students wishing to follow an academic A level pathway must demonstrate appropriate ability through their GCSE grades as follows:

- A minimum of B grades (or numerical equivalent) in 5 different subjects
- A minimum of B grades (or numerical equivalent) in the subjects they wish to study or in related subjects
- A minimum of B grades (or numerical equivalent) in English and Maths
- Any specific subject requirements as stated in the subject entry in the sixth form prospectus

Students wishing to follow our applied pathway must demonstrate appropriate ability through their GCSE grades as follows:

- A minimum of C grades (or numerical equivalent) in 5 different subjects
- A minimum of C grades (or numerical equivalent) in English and Maths

Any specific subject requirements as stated in the subject entry in the sixth form prospectus

Specific subject requirements and information on numerical equivalents will be posted on the school website. Due to the significant changes to the examinations system and GCSE gradings gradually coming on line, applicants should ensure they check the website for specific subject entry requirements.

The Director of Sixth Form will review and make decisions on particular courses followed for any borderline cases or special considerations for combinations of academic and applied subjects.

Experience has shown that students wishing to progress from Year 12 into Year 13, where the academic demands are at a much higher level, are most likely to succeed where they demonstrate a good work ethic and full commitment. They should have attained at least three D grades at AS level at the end of Year 12.

For students who have not achieved three Ds: borderline cases will be considered very carefully in the light of any special circumstances; some students may be invited to restart Year 12 where it is felt they did not fulfil their potential; others will receive guidance on more appropriate courses of study, including those at other institutions.

16. APPEALS FOR THE SIXTH FORM

Students who are not offered a place in Year 12 may appeal against the decision as described in paragraph 8 above.

Agreed at a meeting of the full governing body on 8 November 2016
