

KS4	<u>We teach: GCSE English Language, AQA; GCSE English Literature, AQA</u>				
	<p>The rigours of the KS3 curriculum prepares students very well to begin thinking in terms of assessment objectives, rather than in terms of the concepts and skills that underpin English as a discipline.</p> <p>Assessment objectives (AOs) are set by Ofqual and are the same across all GCSE English Language specifications and all exam boards. AOs are outlined as follows:</p> <p><b>AO1:</b> identify and interpret explicit and implicit information and ideas; select and synthesise evidence from different texts</p> <p><b>AO2:</b> Explain, comment on and analyse how writers use language and structure to achieve effects and influence readers, using relevant subject terminology to support their views</p> <p><b>AO3:</b> Compare writers' ideas and perspectives, as well as how these are conveyed, across two or more texts</p> <p><b>AO4:</b> Evaluate texts critically and support this with appropriate textual references</p> <p><b>AO5:</b> Communicate clearly, effectively and imaginatively, selecting and adapting tone, style and register for different forms, purposes and audiences. Organise information and ideas, using structural and grammatical features to support coherence and cohesion of texts</p> <p><b>AO6:</b> Candidates must use a range of vocabulary and sentence structures for clarity, purpose and effect, with accurate spelling and punctuation. (This requirement must constitute 20% of the marks for each specification as a whole.)</p> <p><b>AO7:</b> Demonstrate presentation skills in a formal setting</p> <p><b>AO8:</b> Listen and respond appropriately to spoken language, including to questions and feedback on presentations</p> <p><b>AO9:</b> Use spoken Standard English effectively in speeches and presentations.</p>
