## Co-Headteachers' Weekly Roundup

There first full week of term has seen a return to the usual routines and business of school. Year 7 are already looking like old hands as they navigate the site from lesson to lesson and the rest of the school seem to have quickly settled in new teaching groups and for Years 10 and 12, new subjects.

Mr Michaels is busy putting together the list of extra-curricular activities list that parents and carers will be able to view on the website and Ms Arrowsmith is finalising the organisation for this year's Year 7 camp. But events have already started: Year 9 have been privileged today to meet with author Robert Muchamore and football trials took place earlier on in the week. We very much hope that there is something for everyone and if football and authors are not your thing, chess club or films might be. Year 12 are getting a more

active introduction to extra-curricular activities via the year 13 Leadership Team's 'freshers' week' style societies'' fair next Wednesday. We would urge all Year 12s to attend as the

range of clubs and societies on offer is excellent and a great way of getting to know new people, whether you attended Fortismere in lower school or are new.

Yesterday evening saw the Informal Year 7 Parents' Evening and we were delighted to see so many people there. As well as parents and carers receiving useful information about Fortismere, it was an opportunity to socialise. The socialising seemed to go particularly well and we would love to build on that by seeing our new (and not so new!) parents and carers at FSA events. We would like to thank Maria Demetriou for organising the social side yesterday: in addition to her role in school for fundraising and communication, Maria has led on the FSA and yesterday evening's event was very much in the spirit of the FSA. We would also encourage our parents and carers, if they can, to join the FSA. This would support Fortismere in working with families to provide opportunities for community and family events for fundraising purposes and to strengthen links between the school and its parent community.

Thank you to everyone in supporting such a smooth start to the new academic year and we wish you all a restful (and warm!) weekend.

#### **PE Kits**

We are aware that some of you have been experiencing problems with our PE kit supplier. School Trends notified us of a "technical issue" in August which has meant delays and difficulties obtaining some kit. If your child does not have the correct Fortismere PE kit then please provide them with appropriate clothing (trainers/shorts/skort/tracksuit bottoms/jumper of a plain nature) with a short note explaining the situation. We are in the process of amending this issue so we are not faced with it again.

## Year 7 activities day and overnight camp

Thank you to those parents and guardians who have paid and have completed the on-line permission slip. The dead-line for payment and on-line permission is this Sunday (16 September). We need to let Tolmers know the exact numbers in advance so apologies for this tight turn around. We hope that all year 7 students will go on this specially arranged trip and that this will help them to form bonds and give everyone in the whole year group a positive shared experience. On-line Permission slips and more information about the event can be found on the school web-site under "news and events". You have to pay separately via your parent pay account.

If you are not sure how to fill out the groups section on the on-line permission slip, then please note that by clicking on "groups", you are invited to select your child's **college** from the drop down menu. For example, if your child is in O5 then you would select "Olympia" for the group and then "5". If your child is in A2, then you select "Alexandria" and then "2".

All information about the day and night can be found in the powerpoint presentation. Once I have final numbers, I will be creating group lists for the day and these will be displayed in school.

Please do contact (via e-mail) the trip organiser Ms Arrowsmith if you need any further help – jarrowsmith@fortismere.org.uk

#### **Creative Digital Media Production**

Our BTEC Creative Digital Media classes are researching different media industries: film, TV and advertising. As part of their course, they are encouraged to meet with people who work in those media industries and visit workplaces. Are there any Fortismere parents or carers who work in the media who would be willing either to come into school and talk to the class about their careers or host a visit to their workplace?

If so, please get in touch with <a href="mailto:mstrathdene@fortismere.org.uk">mstrathdene@fortismere.org.uk</a> . Thank you!

**Art Club** begins again on Thursday 20 September (3.30-4.30) in N6, north wing. This is targeted at KS3 but all are welcome providing there is space.

**GCSE Art Catch Up** also restarts on Thursday 21 September. This is a time when our GCSE Art students can work on their coursework in the department.

There is a opportunity for year 10 students to have **work experience at the National Portrait Gallery** (22-26 October).

'We are looking for enthusiastic students to join us for a one week of work experience and have a taste of the variety of roles available in the Gallery, learning skills that are also transferable to other industries. We are particularly interested in applications from the most socially disadvantaged students in order to give them opportunities to gain work experience in an area of public life that they might not have previously considered. We also encourage applications from underrepresented groups.'

Please follow this <u>link</u> or see Ms Powell for more information:

If you are stuck for something to do this weekend, and want to see where an education in Art and Photography can lead to, visit the IMAX cinema, Waterloo to see props and costumes from films including Alien, Star Wars and Indiana Jones. These will be auctioned on behalf of the BFI Prop Store on 20 September.

# Fashion show coming to Fortismere

#### Fortismere brings the catwalk to school!

October 18th we will be hosting a fund raising fashion show together with the local charity shops. The aim of this event will be to promote awareness of various charities, the causes they support, and that it's cool to wear second-hand. Any money from items sold will go back to the charity, and ticket sales (£6 per person) will go towards the school fund.

This is an opportunity for students to become involved on a first come first basis who would be interested in Modelling(5boys,5girls), styling; makeup and hair.

We would also like parents to help with the event, and are looking for a presenter to introduce the show and briefly mention the various charities and the good causes they support. Please contact Ms Bhambra at vbhambra@fortismere.org.uk

The event will take place in October straight after school and will last 2 hours.

We are also raising money for the D&T Department. Our target is £5,000. We need your support.

- KS3 Year 9 only focus is core textiles for GCSE
- KS3 Year7&8 will have a Textiles Afterschool Club that will run every Monday 3.30-4.30pm for pupils who are interested in making a range of craft products from toys to garments.
- KS4— Year10/11 GCSE D&T-Textiles yr10 projects are skirt/trouser & surface decoration dresses/ soft furnishings

We would like an embroidery machine and two working over locker machines. Over the next couple of years we would like to replace all the current sewing machines with 20 new Brother machines.

The embroidery machine would be essential if when we were to run A Level Fashion & Textiles. The number of pupils taking Textiles as a GCSE is going up, the school should seriously consider running it as an A Level. If it was to go ahead then an Embroidery Machine is essential.

# **News from the Library**

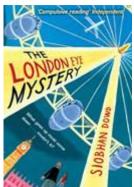

A reminder that the first meeting of CoverUp, our parent/staff reading group, is on Thursday 20th September, 7pm in the library. We have chosen *Eleanor Oliphant is Completely Fine* by Gail Honeyman as our book for discussion, as we think lots of you will have already read it! But if you haven't, do come anyway for a fun and sociable bookish evening. It's a great way to meet other parents.

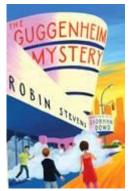

All our Year 7 students have had or will be having their first library lessons and it's great to see what a well-read bunch they are. They may have told you that they have chosen a book as a welcome present from Fortismere library. The books are from BookBuzz (a BookTrust initiative) and has been funded by our wonderful parents association. They should be in eager little hands pretty soon.

#### Recommended Read of the Week

*Troublemakers* by Catherine Barter is an amazing coming of age, political story and comes highly recommended by me and by Daisy in Year 9. And some of our younger students are telling me how much they love *The London Eye Mystery* by Siobhan Dowd and its sequel, *The Guggenheim Mystery* by Robin Stevens. They have very good taste

Notes from Non (Non Pratt, our current Patron of Reading)

Read the books they're reading! You can't share what you don't have!

# **News from the Fortismere Music Centre**

#### **Fortismere Music Centre Start of Term**

FMC will begin again for lessons, choir and orchestra this week. We are looking forward to welcoming back friendly faces and introducing new joiners this term.

If you are interested in starting lessons or joining an ensemble, contact: <a href="mailto:fmcinfo@fortismere.org.uk">fmcinfo@fortismere.org.uk</a>

Well done to all who attended last weekend's FMC Choir 'Come and Sing' day at St. Andrew's Church. We had a great time singing Fauré's Requiem and Cantique de Jean Racine in a scratch-choir including complete beginners to seasoned singers. This term the choir will be singing entirely music composed by women, including a new commission by Phoebe McFarlane. The orchestra will be playing Berlioz's Symphonie Fantastique among other classics. For more info, to book tickets, or join in with an ensemble, visit:

https://www.fortismeremusiccentre.co.uk/join-in
