

Co-Headteachers' Weekly Roundup

It's been a week of celebrations here at Fortismere as the Autumn term draws to a close. We began the week recognising superstars from our last Year 11 cohort (our GCSE students from 2018) as we invited the students who achieved the highest attainment and the highest progress, along with their parents to a special celebration breakfast. It was a relatively informal affair in the library but it gave us the opportunity to congratulate these students on their GCSE outcomes which were achieved following so much hard work and commitment to their studies. Our current Year 11 students collected their GCSE mock results today and will have the opportunity to reflect over the coming weeks and months on how they can capitalize on their current performance and work with their teachers to aim for the outcomes they want and deserve next summer.

It was also lovely to catch up with our former Year 13 students who completed their A levels last summer as they returned for mulled wine and mince pies and a catch up with their former teachers. It was a wonderful opportunity for us to find out how they were enjoying their courses or employment and how some of them were planning to spend the rest of the year globe-trotting. We were so pleased to be able to finally celebrate their phenomenal achievements with them. Yesterday, we joined the current Year 12 and 13 students who had organized a send off for Mr Carter who will be spending some time away from Fortismere for the rest of this academic year and therefore relinquishing his role as Acting Director of Sixth Form. It was clear from the effort the students had made to surprise him and give him such a great send off how much they have valued his leadership of the 6th form since September 2017. We would like to thank Mr Carter for

all he has done to support our 6th Form students over the past 15 months and we look forward to seeing him when he returns in September. He will be replaced by Madeleine St.Amour as permanent Director of Sixth Form from January 2019. She is joining us from the London Academy of Excellence and we are delighted that she is bringing her skills and expertise to the leadership team at Fortismere

At the end of term we would also like to thank others who are leaving us including Ms Tomlinson one of our Learning Mentors and Mr Sokolov who has been teaching Music Technology since January 2018. We wish both well in their new ventures..It is always fitting to end the term with the Fortismere Christmas concert and the last two nights our music department showcased the wonderful musical talent with a rousing and eclectic programme of musical treats. Thanks to Ms Ogilby, the music department and all of the students involved in both evenings. A brilliant finale to an incredibly busy term.

News from the Library

We've just had a look at end of year statistics and are delighted to report that, since the beginning of the Autumn term, 2863 fiction books have been borrowed by our students. Fortismere truly is a reading school! I'll wait till the New Year to mention the 88 books that are overdue...

The date of the next get together of the Alexandra Park Children's Book Award group is Friday 11th January, 12.30pm in the library. Please impress upon your children that it is not a race to get all 6 books finished – the Award ceremony is not until 2nd April, and several students have already returned their second book!

APCBA shortlisted books are available from Pickled Pepper Books in Crouch End and The Big Green Bookshop in Wood Green for a discounted price of £35 for all 6 books (including one hardback).

Delighted to spot Fortismere students reviewing books in the TES again. Scroll down to the bottom of the article... <https://bit.ly/2ErBNOZ> ... and say hello to Hector and Alice!

Note from our Patron of Reading, Non Pratt, and all of us in the library...

We are very pleased to announce that Colosseum students raised £286.60 for the Crisis at Christmas Homelessness Campaign!

This is enough money to support **10 homeless people** across the Christmas period, who will benefit from a wide range of health and support services.

A big thank you to all the students, parents and carers that donated.

Petra End of Term Assembly

Well done to the Petra Ambassadors in particular Lily (P10), Laura (P10), Tae (P4), Owen (P6), Jeta (P7) and Zeynep (P4) for successfully organising the sale of secret candy canes to raise money to go towards Mr Sharma's garden.

You raised £41 in just 2 days of sales!!!

Thanks to all that supported by buying and donating.

News from LINC

LINC has been a hive of activity this term; providing in class and extra-curricular support, targeted teaching sessions, setting up and delivering new therapeutic groups, parent and carer workshops and daily 1:1 mentoring sessions.

I would like to thank the team for their hard work and continuous dedication to our students and their families.

Finally a huge thank you to all our parents and carers for working with us to support your child, I would

It has been a busy term in the SEND department. I have enjoyed my first term as SEND-CO, working with the different members of the LINC team and getting to know them better. It has also been a pleasure to meet and communicate with so many current Fortismere parents as well as prospective parents and year 6 children.

We have a fantastic TA team who work closely in class and in 1:1 lessons with our students, providing support both academically and socially. Ms Carrim, our SEN teacher is running targeted interventions for KS3 students to develop literacy and reading skills, and we are developing resources to support the learning of students who need extra support. Ms Carrim is also the access arrangements coordinator -please contact her if you have any queries about access arrangements.

We are also running Readingwise with year 7, an intervention to boost comprehension skills, which was very successful when we trialled it last year. More students will have the opportunity to do this fun and effective programme next term.

TTRS club has been running every week with a determined cohort of students learning to type. We have provided a revision support session for dyslexic year 11 students and will be providing further support for students with additional needs in the coming months.

Next term, we are starting a handwriting group to support handwriting improvement and work on motor skills. We're also starting an autism group to begin next term, and KS3 dyslexia support lessons. We've also got plenty of staff training planned so that we can continue to develop what we offer in the school to enable all students to reach their potential.

I'm always grateful to Gill Ward and the library team for their support and commitment to inclusion. I'm proud to have been involved with Chapter 2 Year 8 reading group, and loved the visit from Raymond Antrobus, the amazing D/deaf poet who worked with our Hearing Impaired students. Mrs Ward and I have plans for more inclusive work in the library!

Want to get involved?

I'm keen to start a SEND parent forum, to meet once a term, so that we can plan together to move special needs forward at Fortismere. Please email if you'd like to be involved ebrooks@fortismere.org.uk
