

### School Leadership Messages

#### Covid Guidance

Numbers are once more on the rise. Please can we remind parents and carers that if your son or daughter develops Covid-like symptoms, they should be kept at home for 3 days. It is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional.

If a child or young person has a positive COVID-19 test result they should try to stay at home and avoid contact with other people for 3 days after the day they took the test, if they can. After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children and young people tend to be infectious to other people for less time than adults.

Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal.

#### Year 7 Celebration of Learning Event

A reminder that Year 7 parents have been invited to join the Celebration of Learning event on three afternoons next week (6th, 7th and 8th July)

We look forward to seeing parents and enjoying the opportunity to see the wonderful work of our students in their company.

#### Dress Code

Please could parents and carers of all year groups be reminded that we do have a dress code at Fortismere and that students in contravention of the code may be required to put on a top or tracksuit bottoms provided by the school. The 6th Form have recently purchased a set of tee shirts which will be offered to Y12s who come to school dressed inappropriately.

### Weekly Roundup

This week, we were delighted to welcome our Year 7 cohort for September 2022. 270 students from many schools across the area joined us on Tuesday and Wednesday for two full days to experience life as Fortismere students. They took part in a range of activities and lessons and we must say they all impressed us very much with their eagerness and confidence. A number of our student ambassadors supported the Year 6 visitors on the day and we would like to make special mention of the Year 7 team who led tours, answered lots of questions and all in all took their leadership roles very seriously. We know that the transition from primary to secondary school is both a special but daunting moment for students making that leap but we aim to ensure that students have as much of an idea of what daily life will be like in their new secondary school. We trust they went home with lots of exciting stories to share and are looking forward to being official Fortismere students in just 2 months time.

At this time of year we are always planning and looking towards the new academic year but at the same time making sure we have celebrated everything we wanted to about the current academic year. There are still a number of large school events on the calendar for the remaining few weeks. The first are the much anticipated Celebration of Learning events that are taking place across three afternoons next week when we are looking forward to listening to our Year 7 students present some of their learning to an audience of parents and carers and their peers. We are also very much looking forward to a wonderful programme of music at our Summer Chamber Concert which is taking place on 14th July at 7.00pm and includes a range of performances by students from all key stages plus some very special guest musicians. There will also be a large programme of music on offer at our Summer Music Festival which is in the final stages of planning. At this point in time it looks like it will be a perfect summer's day so we hope that our community will be out in full force to enjoy a day of music, food and fun, all in support of the school. On that note, we are low on donations of prizes (see the request later in the Newsletter) so please do donate generously if you can.

There's lots to read this week; we'd particularly like to draw your attention to a lovely article written by Sarah Aina about the Year 9 Black Heritage mentoring programme and the report of the fundraising work undertaken by Year 8 Student Ambassadors for Noah's Ark Hospice. We hope you enjoy reading it as you embark on a restful weekend.

## Fortismere Summer Music Festival - Saturday 9th July 2022 12pm-6pm

### Donations, Donations, Donations - We Need Them!

There's only one week to go until our big Summer Music Festival – we're very excited for the event but we're still really in need of your donations. If possible, could you please send in anything that we could use as a prize or to sell on the day. This would be very much appreciated and will help us greatly.

Donations can be left at South Wing or North Wing Reception or email me to arrange a drop off. And there's still time to offer your help on the day. Tickets are selling well and can be bought from the library.

We're really looking forward to seeing lots of you at the Festival

Please contact Ms Demetriou [mdemetriou@fortismere.org.uk](mailto:mdemetriou@fortismere.org.uk) with any queries or offers of support

## Year 6 to Year 7 Transition

### Welcome to Our New Year 7s

It was a delight to meet our new Year 7 students on Tuesday and Wednesday this week. Coming from many different primary schools, they got the opportunity to meet their peers and form tutors and take part in a wide variety of activities to introduce them to the secondary curriculum. We had letter writing, rock cake making, construction in DT, painting, science experimenting, history, geography, sport, Mandarin...both days were full and we hope exciting and enjoyable. All new Year 7s were also given a copy of our transition book, *Wrath by Marcus Sedgewick*, when they visited the Library. The Librarians had put together a 'goody bag' with book marks and reading lists. We hope everyone reads this book over the summer. It's a Barrington Stoke novel, printed in a dyslexia-friendly font. Sad at times but ultimately uplifting it's about change and new beginnings so hopefully something every new student can identify with. On Tuesday and Wednesday afternoon everyone was treated to Year 10 drama performances and a music concert involving choir, big band and many more of our talented students. We also had an enthusiastic response to our school lunches and the north wing canteen staff rose to the occasion and served nearly 270 additional children! Many thanks to all the staff involved and to the Year 6s for such a great start to their Fortismere careers! We were really happy to hear how the days had gone and one student told us: *'I think that the transition days went well because we got to meet new people, and learnt different things in our lessons. I like that there are different options of food for lunch and break. I'm happy that I know where some classes are now, and that I know how to get from north to south. I loved the Drama and Music performances, and how authentic they were.'*

## Black and Black Heritage (BBH) at Fortismere

### Year 9 Mentoring Programme

My name is Sarah Aina and I am part of the Year 9 mentoring programme run at Fortismere by [With Insight](#). It is aimed at empowering Black heritage students to successfully apply to top universities as a gateway to a more prosperous future. Having a mentor to discuss all the questions that you have about A levels and university has been amazing and a wonderful experience; I definitely feel more confident and prepared about my academic choices. During the programme, we have considered whether university is the right route and what challenges we would face if we did go to university, and also how we would benefit. We talked with our mentor about which university could be right, also discussing which course we would like to do and why. After a few weeks of mentoring sessions, we had the opportunity to visit the university where our mentors are studying (SOAS University of London) and we got to meet our mentors. We were able to ask them face-to-face, everything about university life and all the questions we had. There was also another school there, Hornsey School for Girls, who we had a chance to get to know as well. Our mentors discussed student accommodation, courses offered at SOAS, the languages taught, lectures, making friends and finding yourself. After our talks with our mentors, we split into two groups and they led us on a tour of the university. We visited the public gallery, some enormous lecture rooms, places where students relax and study, and even the four storey library! After our tour, we returned to the main building and had a presentation from all our mentors which explained tuition fees, student loans, being proactive, studying and travelling abroad and seeking help from our teachers. We then had a graduation ceremony from the mentoring program, and received certificates and a goodie bag! We all learnt so much from our mentors and we hope to go on another trip like it very soon!

## School Events

### Pride Celebration Evening

Last Thursday the school held its first Pride Celebration Evening, organised with the help of many staff and students. The event celebrated and supported inclusion in our school community, in particular our LGBTQ+ students and staff. The event was a wonderful celebration and included:

- a welcome from Zoe Judge and introductory speech by Emily Brooks;
- the Molly Spoon Exhibition from Bruce Castle;
- a keynote speech from Julian Washington, a solicitor whose work included supporting civil partnership in the UK;
- a talk from Luke Higgins and Elizabeth Temple (History) on queer history in Haringey;
- a talk from Annais Nourry, the LGBTQ+ coordinator for Haringey Council; and,
- an information session from Dr. Claire Foyle and Aaron Chady, health professionals working in sexual health at 56 Dean Street.

The night was further supported by members of English, Art, Music and Drama departments, and Gill Ward told everybody about the extensive LGBTQ+ collection in the Library. Thank you to everyone who made the night possible, it couldn't have been done without the support of the staff and students in the school community! If you would like any further information, please contact me.

## Student Health & Medical Notice

### No Nuts Please!

Please be reminded that we try really hard to be a nut free school but we need your help with this too. We have students who can suffer severe, life threatening allergic reactions if they come into contact with products containing nuts. We work with these students and their families and do what we can to minimise the risk of a reaction and keep them safe. We train staff to act quickly in the event of a reaction and we try to create a culture of allergy awareness and education. Please do not allow your child to bring any food containing nuts into school or on school trips. If everyone can do this it will help greatly to reduce the worry caused to our students who live with this type of allergy. There is lots of information available on the [Allergy UK website](#) for anyone who wants to know more. If your child has any allergies please let their Head of Year know.

Ms Sullivan

## Year 8

### Student Ambassadors Help Children's Hospice

Last Friday, the Year 8 student ambassadors got busy washing staff cars and managed to raise a super £50 for Noah's Ark Hospice. [Noah's Ark](#) is based in Barnet and is one of the UK's leading children's hospices, providing care for over 350 children and their families every year. Fortismere students have been supporting the charity with their fundraising efforts for many years. The students involved said it was hard work but they did it with smiles and made sure that they left the staff with cars gleaming like new for the weekend!

Noah's Ark were very happy to receive the donation. The Year 8 student ambassadors aren't stopping there as they want to raise even more money for charity so will be running a Bake Sale at break time on the 14<sup>th</sup> July in both South Wing and North Wing.

Ms Turner

## Geography Department

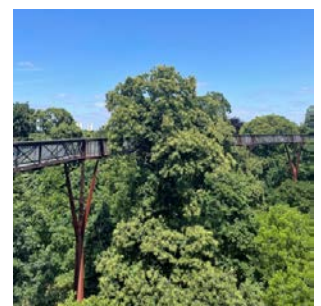

### Year 12 Field Trip - Monday 11th July to Friday 15th July

Year 12 Geography students will be attending a residential fieldwork trip to the Lake District as part of their A Level course. The trip is an important part of the Geography course in supporting students' coursework investigation and fulfilling the requirements for practical fieldwork. We know past groups have both enjoyed and benefited hugely from the trip. All students participating have been reminded to ensure they contact their other subject teachers regarding any work they may miss. Students should regularly check Google Classroom to access uploaded work. We wish this year's group good weather for their fieldwork. If you have any questions please contact me. Ms Sheldon [rsheldon@fortismere.org.uk](mailto:rsheldon@fortismere.org.uk)

### Year 7 Visit to Kew Gardens

Last week, over two days, the Geography Department, supported by other Fortismere staff, took Year 7 students to the Royal Botanic Gardens in Kew. The field trip is an important part of the Year 7 Geography curriculum and links specifically with the Year 7 topic 'Thinking like a Geographer' in which students learn about geographic enquiry and how to ask geographic questions. The trip will also have given our Year 7 students a fantastic introduction to the adaptations of plants, which they will begin studying in September in Year 8 during the 'Biomes and Biodiversity' topic. It was a truly wonderful two days and we want to say a HUGE well done to all the students who represented the school in a positive way and behaved impeccably. Thank you to all the staff that supported us with the trip.

Ms Wilson

### Pride Celebration Event

A huge thankyou to Lydia Morgan, Santini Holness Peart, Nathan Joseph, Haru Ogiwara, Derrin Coktay and the String Ensemble for playing at last week's Pride Celebration Event. It was a wonderful evening and great to hear the pieces that you had chosen by composers from across the centuries that are part of the LGBTQ+ community.

### Year 6 Transition Concert

Another thankyou to Lydia Morgan, Zachary Almeida Rosser, Charlie Barnett, Dania Grace Maki, Bea Cohn, Sylvie Hammersley Fox, Mia Rich, Daria Segal, Cy Cooper, Jack Powell, The Big Band and Junior Choir for performing to the new Year 7 students. You did a great job and really inspired some of our future musicians at Fortismere School.

### Fortismere Summer Music Festival - Saturday 9th July

We are still looking for Bands and singers to take part in the annual Summer Music Festival that will take place on Saturday 9th July at Fortismere School. All key stages are welcome at the event and we would like a really diverse range of music! Additionally if you are a parent that would be willing to sing or perform at the event either as a soloist or as part of a group please contact the Director of Music Mr Jefferies.

### Justin Bruns Masterclass - Thursday 14th July 3:00pm

There will be a String Masterclass on Thursday 14th July led by Justin Bruns the Concert Master of the Atlanta Symphony Orchestra who will be the Music Department guest during our *Music Week* in July.

If your child would like to take part please contact the Director of Music for more details. This is an open event that is free of charge to the public. [ejefferies@fortismere.org.uk](mailto:ejefferies@fortismere.org.uk)

## Summer Chamber Concert - Thursday 14th July 7:00pm

We are delighted to invite our school community to a concert on Thursday 14th July in the Music Hall at 7pm. There will be items from a variety of students across the Key Stages and we are thrilled to be able to invite back Tadashi Imai who will be playing Mendelssohn's Piano Trio in D Minor with Justin Bruns and Thomas Gregory. Other groups that will be performing include Junior Choir, Chamber Choir, Cello Ensemble, Senior Strings and the Classical Guitar Ensemble. If you are interested in attending this event please visit the Fortismere Music Centre website at [www.fortismeremusiccentre.co.uk](http://www.fortismeremusiccentre.co.uk)

## Fortismere Community Symphony Orchestra Summer Concert - Saturday 16th July 7:30pm

Our final concert of the year will take place at St Andrews Church on Saturday 16th July at 7:30pm. This concert will be conducted by American conductor Steven Huang and feature Violinist Justin Bruns playing Vaughan-Williams *Lark Ascending* and the Sarasate *Carmen Fantasy*. There will also be plenty of popular classics to keep the audience entertained over the course of the evening. Tickets are available for all of our concerts at [www.fortismeremusiccentre.co.uk](http://www.fortismeremusiccentre.co.uk)

## Library

### Things for Sale in the Library

Students may buy tickets for the Summer Music Festival Fair from the library before and after school, break and lunchtime. Don't delay! Also all the stationery they could possibly need for exams/tests. And tissues for the hayfever.

### CoverUp

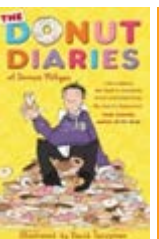

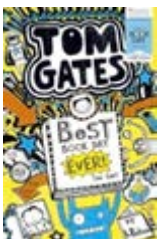

The next meeting of our parent/staff reading group is this coming Thursday, 7<sup>th</sup> July, outside the library with Pimms and sunset! See you at 7pm; we'll be talking about the Women's Prize for Fiction in general and Ruth Ozeki's "The Book of Form and Emptiness" in particular.

### Recommended Reads of the Week

Fortismere Library was delighted to participate in a #ReadWithPride Twitter relay with schools from around the country during Pride Month. See if you can spot our maths teacher, Mr McGuinness, on here [#ReadWithPride 2022 \(office.com\)](https://twitter.com/ReadWithPride2022)

We've just had our Year 6/7 Transition Days, and it was lovely to meet all the students who'll be joining our community in September. Here are some books about school!

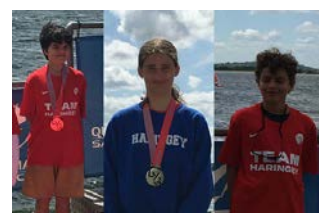

## Sport & PE News

### Fortismere Sailors in Action

Many Thanks to Mr Pighills for taking our sailors to represent Haringey in the London Youth Games last weekend. Our sailors were brilliant as you can read in his report below: *Fortismere sailors Hannah Baker, Rafi Weisfeld and Aurel Bouayoun represented Haringey in the London Youth Games Sailing competition last weekend alongside sailors from boroughs across London. The conditions were tough – lots of (almost too much) wind but plenty of sun for the spectators. Hannah Baker took home gold medal in her Topper (again!) and Rafi alongside a Highgate School sailor won bronze medal in the double-handed Picos (two sailors in each boat). It was impressive how all the sailors headed out in really challenging conditions without showing any nerves. There was plenty of capsizing and fun had by all, and a special mention to Aurel who mastered the dry capsize, clambering over the side of his Topper like a champion. If you want to get involved, there are plenty of opportunities to sail all around London and the London Youth Games each year is a great event to aim for. Speak to your PE teachers or contact a local sailing centre to find out more.*

### Year 7 Girls into Football Final

Although it's now July there are still some football matches to be played and our Y7 girls team were at St Thomas More School this week to play in the Haringey Borough Schools semi-final. Our girls eased to a 9-0 win and head for the final on Friday 8<sup>th</sup> July. Well played girls and good luck for the final

### Fortismere Athletes Help Haringey to County Glory

The week got off to an amazing start as twenty four Fortismere athletes headed to the Cophall Barnet Athletics Stadium to represent Haringey Borough in the Middlesex Athletics Championships Y7/Y8.

Our athletes performed fantastically, to help lead Haringey to overall victory! We had many athletes on the rostrum scoring valuable points and significantly contributing to our borough's fantastic win. Well done all!

## Local Team Looking for Footballers

Old Tollingtonians, a local football club with close links to Fortismere School, is looking for players (Y12/13 and adult) for next season. Mr Noronha, an Art & DT teacher at Fortismere is involved with the club - I have played and managed Old Tollingtonians football club for a number of years. Fortismere School has links with the club and over the years some Fortismere old boys have played for us, now we're looking for any parents/carers, friends and family, teachers and older students (Y12/Y13) who would like to join the club and train with us. We are training and playing friendlies before the season starts in September. Our home pitch is Highgate Woods which has really good facilities and is very close to public transport. The first training session is on Saturday 16<sup>th</sup> July from 10am-12pm. If you're interested or want to know more please contact me, Mr Noronha [jnoronha@fortismere.org.uk](mailto:jnoronha@fortismere.org.uk) or Mr Orton [sorton@fortismere.org.uk](mailto:sorton@fortismere.org.uk)

## Invincible Tennis Boys Win Middlesex Playoffs

On Tuesday our (unbeaten) U15 Tennis squad travelled to Ealing to play in the Middlesex area playoff match and I'm delighted to report another wonderful performance and a 5-1 victory. The boys are now through to the regional knockout rounds which take place in September. What a fantastic season they've had. Well done!

## Cricket News

### Y7 into Middlesex Final

Our Y7 Cricket team won through to the Middlesex Finals by beating Christ College Finchley on Tuesday afternoon. The team completed their victory by 29 runs and now head to the final next Wednesday. Well done to our Year 7s.

### Y8 Boys help Hornsey to League Title

This week I had a lovely email from the coach of Hornsey Cricket Club U13 Team. He told me that the team had just won the league and that three of our Y8 students were the absolute stars of the season! Noah Helfgott, Kai Smale and Jude Dolling have performed fantastically this season for Hornsey, with both bat and ball, and inspired the team to clinch the title. Well done boys!

## Summer Sport in Haringey

Haringey are providing an excellent range of activities for children and young people over the summer holidays including sports, arts and drama. [Go to the website](#) to find out more and book places.

## Information & Resources for Families

### Refugee Education UK

Refugee Education UK has lots of information and resources available for recently arrived refugees, their families and those working with and supporting them, including schools. Refugee Education UK believe - *that education is a priority: it's how lives begin to be rebuilt and hope for the future is rekindled. But getting back into and progressing in education is fraught with challenge. We want things to be different.* They are currently updating their Education Welcome Project information to include more resources for those recently arrived from Ukraine.
