

Grace Wilson statement

I am currently a Governor at Highgate Primary School, sitting on the Safeguarding Committee and Chair of the Curriculum Committee. As my children travel from primary into secondary I am keen to move to a new phase of education as Parent Governor.

I have excellent attendance at Governors meetings, close attention to detail and am always happy to record notes and present minutes at Full Governing Body meetings. At Highgate Primary our Board successfully supported an Ofsted Inspection, and the school is Outstanding.

In my professional life I hold the role of Deputy Head Academic and DSL at St Margaret's Hampstead. We are a through school from ages 4-16. I have completed both my NPQs in Senior Leadership and Headship (both at UCL). I also teach Geography at KS3 and GCSE. In my career I have taught from KS2 to KS5. Incidentally I was a pupil at Fortismere and also completed my teacher training at the school 20 years ago.

In my personal life I play I enjoy time with my family and play a lot of football each week (I play with East Finchley WFC). I am huge advocate for keeping healthy and supporting access to sport - both for young people and adults.
