

Laun Ruttenberg statement

I am putting myself forward to be a governor as I want to be part of the continued growth of the education experience at Fortismere secondary school. My daughter is in Year 8 at the school and my emphasis with her education is to foster a love of learning. I also have a social work degree and I am a life coach with a special interest in how we learn new concepts and ideas and what this means for the way we live our lives.

I volunteer in the Fortismere Library once a week and the children read to me, we discuss how they feel about reading and the ways they learn best. A library, and indeed a school are places of potential and opportunity, and I love sharing my enthusiasm for this viewpoint. I also use my social media skills to support the new Friends of Fortismere Parent Association and in the local area I am involved in the Friends of Muswell Hill Library committee.
