

A Level Music Technology Bridging Tasks

Task 1:

Work your way through the lessons at <https://learningmusic.ableton.com/>
(If you are very familiar with music technology software then you can skip ahead to 'advanced lessons')

Task 2:

Prepare EITHER a recorded performance of you playing your instrument/singing (basic phone recording is fine!) OR a piece of music using music technology software. Please bring this to your first lesson in the form of an audio file that we can listen to.
