

Yr12 (KS5)	Topic Area	Knowledge/Skills that are taught	Resources/support at home
Autumn 1		<p>As a new subject, focus will especially be on new key terms. Also, writing skills are important and will need extra guidance, given the possibility of a decline in Y11, due to Covid led schools shutdown.</p> <p>Students to be given subject handbook, providing very detailed breakdown of topics to be studied</p> <p>Begin with microeconomics section of the handbook provided</p> <p>[Possibility that some former Y11 GCSE students may wish to sit exams in the autumn - if so, extra revision classes will be provided]</p>	<p>Y12 student handbook</p> <p>Catch up / revision classes offered</p> <p>Use of OCR A level Economics quizlet and Seneca. This can be done for both pre learning and to check knowledge after lesson/topic revised</p>
Autumn 2			
Spring 1		Macroeconomic section of Y12 handbook begins
