

Curriculum Intent

At Fortismere, our language department has developed a curriculum that aims to:

1. To foster an interest in and enthusiasm for the culture and customs of the target language country and instill the passion and curiosity which will motivate students to be lifelong language learners.
2. To facilitate students' ability to communicate in the target language, especially focused on key vocabulary and structures which allow students to 'get by' when they are in the target language country.
3. To prepare students for national exams so they have the tools and motivation to either continue with the subject at university or have a strong understanding of the language which they can draw on in later life.
